Dear Friends,

Welcome to FACT Sheets-Filthy Feed Edition! I'm excited to announce that earlier this week we officially kicked off our national campaign to ban the use of poultry waste as feed for cows. This practice is disgusting, not to mention dangerous for animals and people. Read below for more information and how you can take action!

Help FACT Design Our Annual Holiday Card

FACT received such a positive response to the holiday card contest last year, we have decided to reach out to our supporters again. FACT would be honored to display artwork on our holiday card that demonstrates our shared commitment to making farms humane and healthy places for animals. Please read below for more information. We look forward to receiving your entry!

Guidelines

1. Entries must be received by September 28, 2009, but can be submitted at any time up to that date. The winner will be announced by October 5, 2009 and will be recognized on the back of FACT's holiday card, as well as on our website.
2. The contest is open to FACT donors, family members and friends of all ages and talents. Name, address, and telephone number must be submitted with the entry.
3. All valid entries must be original work. Acceptable media are paint, pencil, markers, ink, crayon or photography. We are looking for a winter and/or non-religious holiday theme. The design should feature cows, chickens and pigs, or a

- combination of all three.
4. The card will be printed in black, white and one other color. While it not necessary that the original artwork be black and white, please consider this constraint in your design.
 5. Entries must be done on paper that will allow for duplication and should be no larger than "5 x 7." Entries should not be framed, matted, laminated or folded. You can mail the hard copy or email the electronic version. Please send electronic entries in jpeg or PDF format. All grayscale and color images should be provided at a minimum resolution of 300dpi.
 6. Submissions become property of FACT. Through submission of artwork, contestants grant non-exclusive reproduction and publication rights to the works submitted.
 7. Mail entries to: Jacki Rossi, Food Animal Concerns Trust (FACT), P.O. Box 14599, Chicago, IL 60614 or email to [Jacki Rossi](mailto:Jacki.Rossi@foodanimalconcerns.org).
